REQUEST FOR WAIVER

Please excuse our delay in filing the form 486 and reinstate our start date of 7/1/02.

This is a very small 3,000 book library run mostly by volunteers for a small village of mostly lobster fishermen's families. Your process is very difficult to complete with no experience and no one to get help from. I think we deserve points for having successfully

completed the process as far as we have. I was only asked to pursue this matter on February 1 and initially did not realize there was a deadline. I'm pretty sure this is the first time this library applies for funds. We will be prompt in the future.

Please give our appeal your kindest consideration,

Let me know if you need more information,

Thanking you in advance,
